This is especially the case due to the failure of the vehicle users to observe the traffic rules.

Children as well as senior members of the society find it very difficult to go out for a walk as the streets are heavily flowing with vehicles that is why it is necessary to develop some garden in every part of the city so that they can go there and have a quiet and undisturbed walk in the obsorn of nature and enjoy fresh air.

public parks have become the need of the present day I feel because day by day it is going to be difficult to find space for play and exercise outside the houses would you be kind enough to look in to the matter and so something to relieve the problem of those who wish to go for a walk and get your faithfully

The British imposed heavy tax on the yields. The Hindi film "lagan" has this very issue at its background. She suggested

Detailing various causes of farmer suicides, Sh. Pramod Kashikar observed that failure of monsoon and burden of loan has been the major causes of farmers taking to end their lives. The two are survival. The next important cause according to him was ~~the~~ one more reason in government's new economic policy which supports privatization, globalization and liberalization.

Miss Chhaya Mane hinted at these at different points. She stated that three types of farmers are seen to be ending their lives for agricultural causes. They
